D. The Board agrees not to negotiate concerning any employee in the negotiating unit as defined in Article I of this Agreement, in violation of Chapter 123 of the Public Laws of 1974 or any rules or regulations promulgated pursuant thereto.

ARTICLE III
GRIEVANCE PROCEDURE

A. DEFINITIONS

Grievance - A "grievance" shall mean a complaint based upon a wrong believed by an employee in the negotiating unit to have been suffered by him as a result of a violation, misinterpretation or inequitable application of any provision of this Agreement, or through an act or condition which is contrary to established Board policy or Board and/or administrative practice governing or affecting employees except that the term "grievance" shall not apply to:

(1) Any rule or regulation of the State Department of Education having the force and effect of law.

(2) Any rule or regulation of the State Commissioner of Education having the force and effect of law.

(3) Any matter which, according to law, is beyond the scope of Board authority.

(4) Any matter which, according to law, is exclusively within the discretion of the Board.

Grievant - Grievant shall mean an employee believing to have been or to be aggrieved.

Employee - An employee shall mean an employee within the negotiating unit.

Immediate Superior - The principal or such person acting as the principal in the latter's absence.

B. PRINCIPLES

(1) A grievance to be considered under this procedure shall be presented by the grievant or his representative not later than twenty (20) calendar days following its occurrence or the time when he should have known about it. The number of days allotted at each step of the grievance procedure is to be considered as a maximum time limit. Every attempt should be made to resolve grievances as quickly as possible. A grievance which occurs near the end of the school year shall be presented on or before June 30th of the school year in which it occurred.

(2) A grievant may present and process his grievance personally or through an appropriate representative. Should a grievant want to process his grievance personally or through an appropriate representative of his own choosing, he may do so, however the majority unit shall be so notified and shall have the right to have its own representative present.

(3) No reprisals shall be taken by the Board or Administration against any employee because he utilizes the grievance procedure.

(4) Should a grievance result from action taken by the Superintendent or the Board, a grievant may present his grievance initially at the third step of the grievance procedure.

(5) Forms developed jointly by the Board and the Association will be used for the filing of grievances.

C. PROCEDURE

STEP ONE:

(a) A grievant may initially discuss the matter identified as a grievance with the immediate superior in an attempt to settle the grievance informally. This is not intended to extend the time limitation as set forth in Section B, sub-section 1.

STEP TWO:

(a) A grievant shall file his grievance in writing by presenting the written grievance to the immediate superior and forwarding copies to the Superintendent and the Association.

(b) The grievant and the immediate superior shall meet in an attempt to resolve the grievance not later than seven (7) calendar days following the date on which it is filed.

(c) The immediate superior shall communicate his decision in writing to the grievant not later than seven (7) calendar days following the hearing. A copy of the decision shall also be forwarded, at the same time, to the Superintendent and the Association.

STEP THREE:

(a) If the grievance has not been resolved at step two of the procedure, the grievant may request a hearing of his grievance by the Superintendent or his designated representative. This shall be done not later than seven (7) calendar days following the principal's decision.

(b) The grievant and Superintendent or his designated representative shall meet in an attempt to resolve the grievance not later than seven (7) calendar days following the date on which the hearing was requested.

(c) The Superintendent or his designated representative shall communicate his decision in writing to the grievant not later than thirty (30) calendar days following the hearing. A copy of the decision shall also be forwarded, at the same time, to the Association.

STEP FOUR:

(a) In the event the grievant is dissatisfied with the determination of the Superintendent aforesaid, and in the further event that the grievance involves the interpretation or application of this contract, the matter may be submitted to binding arbitration. The grievant shall request in writing that the Association submit his grievance to arbitration. If the Association decides the grievance is meritorious, it may submit the grievance to arbitration. A request for arbitration shall be made in writing no later than fifteen (15) days following the determination of the Superintendent. Failure to

request arbitration within said period of time shall constitute an absolute bar to such arbitration unless the Superintendent and the Association shall mutually agree upon a longer time period within which to assert such a demand.

(b) The Superintendent may also request arbitration concerning any dispute regarding the interpretation or application of this Agreement. The time limits applicable to the Association are also applicable to the Superintendent.

(c) The arbitrator shall have no power or authority to add to, subtract from, change or modify any of the terms of this Agreement.

(d) Within fourteen (14) calendar days after the Association shall have delivered the written request for arbitration, the Superintendent and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified time period, a request for a list of arbitrators shall be made from the Public Employment Relations Commission. The parties shall then be bound by the rules and procedures of the Public Employment Relations Commission in the selection of an arbitrator.

(e) The arbitrator so selected shall confer with the Superintendent and the Association and hold hearings promptly, and he shall issue his decision not later than twenty (20) calendar days from the close of hearings, or if oral hearings have been waived, then from the date that the final statements and proof are submitted to him. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issue submitted. The decision of the arbitrator shall be submitted to the Superintendent and the Association and shall be final and binding on the parties.

(f) The costs for the services of the arbitrator including per diem expenses, if any, and the cost of the hearing room, if any, shall be borne equally. Any other expenses incurred shall be paid by the party incurring such expense.

No more than five (5) teachers in an elementary or middle school or ten (10) teachers in the high school may be out on any one day without the prior approval of the principal and the Superintendent.

If the absence because of personal illness exceeds ten (10) days in a calendar month, certification of such illness by the school physician or by the teacher's personal physician may be required.

ARTICLE XXII

LEAVE OF ABSENCE

A. APPROVED REASONS FOR LEAVE OF ABSENCE:

Leaves of absence shall be granted only for the following reasons:

- (1) Personal illness including on-the-job injury.

- (2) Death in the immediate family as defined in Article XXI, Section E.
- (3) Death of relative as defined in Article XXI, Section F.
- (4) Quarantine or court subpoena.
- (5) Maternity/Paternity.
- (6) Personal business.

B. LEAVE OF ABSENCE FOR PERSONAL ILLNESS

Leave of absence for personal illness may be granted a teacher by the Board. A leave of absence shall not be granted because of personal illness unless the applicant submits the form prescribed by the Board, signed by a regularly licensed Doctor of Medicine, which in all cases shall give such information as will satisfy the Board that the absence is necessary. In case of mouth ailments, the certificate may be signed by a Doctor of Dental Science or Doctor of Dental Surgery.

C. MATERNITY/PATERNITY LEAVE

(1) The Board shall grant leaves of absence for medical reasons associated with pregnancy and birth to pregnant teachers on the same terms and conditions governing leaves of absence for other illness or medical disabilities as set forth in N.J.S.A. 18A:30-1 et seq. and the rules, regulations and policy statements and this Agreement.

(2) It is recognized that a teacher's maternity leave application involves both a disability phase and a child care phase. The disability phase is that period of time, both pre-natal and post-natal, during which a physician certifies inability to work. The child care phase is that period of time selected by the teacher which follows the disability phase during which time the teacher voluntarily suspends her teaching career to care for the newborn child. The child care leave shall also be available to an adoptive parent or the father of a newborn infant.

(a) **DISABILITY PHASE:** Any tenured or non-tenured teacher seeking a leave of absence on the basis of medical reasons associated with pregnancy or birth shall apply to the Board. At the time of application, which shall be made upon sixty (60) days' notice to the Board, the teacher shall specify in writing, the date on which she wishes to commence leave and the date on which she wishes to return to work after the birth. The Board shall require any teacher to produce a certificate from a physician in support of the requested leave dates. Where medical opinion is supportive of the leave dates requested, such request shall be granted by the Board. It is understood that the disability period as certified jointly by the teacher's and the Board's physicians may be treated as compensable sick leave time at the option of the teacher.

(b) **CHILD CARE PHASE:** Where the requested leave dates are beyond the period of disability associated with pregnancy and is for child care purposes as defined above, the tenured teacher shall be granted, at his/her discretion, a leave for (1) the balance of the school year in which the birth or adoption occurred, or (2) the balance of the school year in which the birth or adoption occurred and the entire following school year. Any further extensions of child care leave shall be discretionary with the Board.

The Board need not grant or extend the leave of absence of any non-tenured teacher beyond the end of the contract school year in which the leave is obtained.

(3) A teacher returning from pregnancy leave of absence shall be entitled to all benefits to which teachers returning from other types of sick or disability leave would be entitled. Nothing contained herein shall be construed to require the Board to grant tenure to any non-tenured employee who would not otherwise have been granted tenure or to offer a new contract for a new school year to any non-tenured employee who would not have been otherwise offered such a contract.

(4) No tenured or non-tenured teacher shall be barred from returning to work after the birth of her child solely on the ground that there has not been a stated or prescribed lapse of time between that birth and her desired date of return except as is provided herein. Nothing contained in this article shall be construed to preclude the Board from requiring any teacher, after birth of her child, to produce a certificate from her physician showing that she is physically capable of resuming her duties.

D. LEAVE OF ABSENCE FOR OTHER REASONS

Leave of absence with pay will be granted only for reasons specifically mentioned in this Agreement. A leave of absence with full loss of pay shall be granted for any other emergency or urgent reason upon written application to the building principal. For the protection of the employee and for proper payroll accounting and audit, every absence must be accounted for in writing.

E. LEAVE OF ABSENCE FOR MILITARY OR NAVAL SERVICE

Leave of absence shall be granted for entry into military or naval service in accordance with N.J.S.A. 18A:6-33.

D. A teacher on sabbatical leave shall receive one-half of the salary which the teacher would have received had he remained in the district.

E. The teacher will submit an application in writing on forms provided. The application shall be filed with the Superintendent on or before March 15th of the school year preceding the school year in which the sabbatical leave is to commence. The sabbatical leave shall be granted on the basis of seniority in the school district. A staff member shall be precluded from taking a second sabbatical leave if another applicant has not previously been granted such a leave.

F. Subject to limitations provided by law, pension and insurance payments will be deducted from the salary of the teacher while he is on leave, based on one hundred (100%) percent of his contractual salary; and health benefits for the year will be paid as if the teacher were not on leave.

G. Salary payments will be made on the same basis as the regular staff. Payments will not be made in advance.

H. Sick leave shall not accrue while on leave.

I. In the event of serious and/or lengthy illness which prevents the start or completion of the sabbatical program, the teacher will apply for normal sick leave, and/or other leave, if necessary, at which time the Board's sabbatical salary contribution shall cease.

J. A teacher who is granted a sabbatical leave shall, upon completion of the sabbatical, either return to the district or shall reimburse the Board for all salary received while on leave.

K. Credit on the salary guide shall be earned by the teacher while on sabbatical leave.

C. Actual reimbursement will follow within sixty (60) days of submission of official transcript and tuition payment receipts, provided a grade of B or better is attained. In the case of a pass-fail grading system, pass is acceptable.

D. In order for a board of education to provide to an employee tuition assistance for coursework taken at an institution of higher education or additional compensation upon the acquisition of additional academic credits or completion of a degree program at an institution of higher education:

- (1) The institution shall be a duly authorized institution of higher education as defined in section 3 of P.L.1986, c.87 (C.18A:3-15.3);
- (2) The employee shall obtain approval from the superintendent of schools prior to enrollment in any course for which tuition assistance is sought. In the event that the superintendent denies the approval, the employee may appeal the denial to the board of education.

In the case of a superintendent, the approval shall be obtained from the board of education; and

- (3) The tuition assistance or additional compensation shall be provided only for a course or degree related to the employee's current or future job responsibilities.
